CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

R. O. Crosby Wins In Rezoning Effort

Despite opposition voiced by the Pahokee Housing Authority, the City Planning Board, the Chamber of Commerce and Fire Chief Marvin Levins to the proposed change in R-4 residential district zone regulations, that would reduce the side yard for cottages in this district from 15 feet down to nine feet, the City Council in regular Monday night adopted the ordinance that makes the R-4 zoning change a law.

In a split vote, Councilmen C. R. Wetherington, Joe Thompson and G. H. Tucker, Jr., voted yes; Councilmen Hugo Boe and Billy McKinstry, no. Before the vote, Councilman Wetherington pointed out that at the time of the public hearing held on the proposed R-4 zoning change, Jan. 30, the City Planning Board, at the Council's inquiry, had "no recommendation", either for or against the issue, and not a single voice was raised in protest against the proposed change at the hearing, although Councilman Billy McKinstry did vote against the ordinance at its initial reading. Builder R. O. Crosby, who requested the R-4 regulations change can now proceed with plans to build several cottages on lots with reduced side yards in the Negro residential area. Upon recommendation of the (continued on page 8)

Mounts Paints A Bright Ag Future

Palm Beach County's agricultural progress is sprouting brightly all over the vast muck farmlands inland and in the sand ridges along the coast according to a report this week by County Agent M. U. Mounts and his staff.

The group appeared before the county commission Monday to make its annual report and among other things noted that vegetable production netted 33,000 carloads to northern markets last year from the 21,000 acres under cultivation. Acreage being farmed represents a 10 percent increase over the previous year.

The construction of four big sugar mills in the Glades area will boost considerably, growing of growing of sugar cane, giving farmers another means of stabilizing their economy, the report said.

The livestock and dairy activities are on the up grade with some 200 ranchers raising more than 145,000 head of cattle valued at \$1.5 million. Dairy cattle, which number more than 20,000 are producing a bumper bottle of 135 million pints of milk annually.

The group also reported on 4-H Club activities which includes participation by 300 boys and a similar group of girls in 32 clubs.

In the nursery and ornamental section it was noted that weather and fungus disease had blighted some crops and many lawns.

Commissioner E. F. Van Kessel, suggested that the agricultural department study the possibility of control methods and materials used by spray companies in an effort to grow only top flight organization to operate in the county.

TWO TAKE A COFFEE BREAK

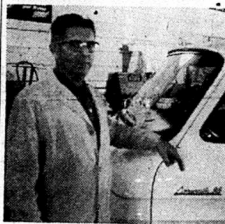

On the left is Claude Shirley of Shirley Brothers, Inc., in Pahokee and the young man alongside him having their morning coffee at John Bolton's Drug Store in Pahokee is C. E. (Bill) Williams of the Everglades Insurance Agency. These fellows took time out of a busy conversation about the upcoming boom in the Glades to take a peek at the photographer as he stepped behind the counter to snap the photo.

He's Starting 2nd Quarter Century

Here we show J. T. (Jake) Platt of The Everglades News who this month started his second year of his second quarter century at the helm of the mechanical department of this great palladium of the family fireside. To have put up with the publication of a weekly newspaper for that length of time in one spot should turn a man's hair grey—but not so with Jake. He holds his own nicely and is shown here at the keyboard of the Linotype—one of the many machines he operates.

IT'S A CORVAIR

Mitchell Kirk of Stanley Chevrolet, Inc., in Pahokee, points with pride to the name CORVAIR on the recently received new station wagon in the Corvaire line. Mr. Kirk is sort of a fixture at the Chevrolet place in Pahokee and naturally is proud of every new automobile that arrives at the popular sales agency.

QUEEN IS CROWNED

Lois White was crowned queen of Beta Sigma Phi's 13th annual Valentine Ball held in the Elks Hall Saturday night with Joe Bonnie and his Orchestra of West Palm Beach furnishing the music. The new queen and her escort led in the coronation dance, followed by queens of other years and their escorts. Mrs. Grace Maxson was general chairman of the dance.

Band Director Lampi To Direct Rotary

Pahokee High School Band Director Robert O. Lampi will have an added responsibility with the coming of July 1, 1961. On that date the popular director will become President of the Pahokee Rotary Club. He is serving as vice president during the present year of Rotary and Rotarians and among his other duties in the club serves as pianist. His name was offered in traditional style by the nominating committee and they selected a strong group of other officers to support him in his presidential year.

Tag Deadline Is Monday Afternoon

The tag office at the County's Glades Office Building will be open Saturday from 10 a. m. to 5 p. m. for the convenience of Glades residents who have yet to purchase their 1961 motor vehicle license tags, according to Mrs. Edwina C. Young, Glades office manager for Stetson O. Sproul, County tax collector.

Despite rumors to the contrary, Governor Bryant, as yet, has not extended the deadline date when 1960 license tags are no longer legal, which is Feb. 20, Mrs. Young said. At the close of business Feb. 14, 1960, the Glades office had issued a total of 5,459 tags, compared to 5,047 issued during the same period this year, 412 less than last year. Mrs. Young expects her office to issue more than 2,000 additional tags by Monday evening, the deadline date. It's going to be a busy place and plenty of motorists, as they stand impatiently in line, will wish they had thought about getting their tags at an earlier date.

Robert Lampi To Be Rote President

Pahokee Band Director Robert O. Lampi will be the Rotary Club next president, according to tradition and the will of the members of that club. At last week's meeting Mr. Lampi, vice president of the club, was nominated by the nominating committee to become the next president.

Only once in a blue moon does the nominee fail of election and that only in unusual circumstances. Mr. Lampi will accept the new duties of office in July.

Vice president of the club will be Dr. E. C. Johnson and the secretary will be Chester A. Batchelor. Bill Plummer will control the purse strings of the group, having been nominated for treasurer.

Mike Sanders will be Director A. Wiley Tillis Director B. Luke Dufresne Director C. and Joe Thompson Director D. The election will be held next Thursday, February 23.

WE'LL TELL YOU!

The Everglades News told you officially what Harry T. Vaughn, president of the United States Sugar Corp., said about a new mill and refinery to be built at Bryant, 1/2 mile east of Canal Point. When any change—if there is one—is made by the sugar company you can rest assured that you'll be officially notified through the columns of this newspaper. No change is expected.

TAX ASSESSOR VISIT

The representative from the Palm Beach County Tax Assessor's office will be in the Glades Office Building March 6-10. He will be here to discuss any tax problem and to help the public file for their homestead exemption.

Mr. and Mrs. Earl Wilson of Hialeah spent the weekend in Canal Point visiting her father, F. C. Stein, and other relatives.

Future Farmers Plan Special Week

Future Farmers of America members throughout the nation are scheduling special activities to focus public attention of the work of their organization during National FFA Week, February 18-25.

Membership in the FFA is made up of farm boys who are students of vocational agriculture in high school. The organization's activities are designed primarily to help develop rural leadership and good citizenship, and to stimulate the boys to better achievement in their study and work toward successful establishments in farming or other agricultural occupations.

The Pahokee FFA chapter has 52 members. Officers are:

President _____ Lee Granims
Vice-Pres. _____ Don Kelly
Sentinel _____ Bill Johnson
Reporter _____ James Veal
Treasurer _____ Calvin Watson
Secretary _____ Bobby Kennedy

Norma R. Norman, vocational agriculture instructor in Pahokee High School, serves as advisor of the FFA chapter.

The national Future Farmer organization has 378,000 members, with 9,000 local chapters in the 50 States and Puerto Rico. Membership in Florida totals 8,000.

Future Farmers choose the week of George Washington's birthday each year for the observance of National FFA Week. Although usually recognized as a Revolutionary War General and our first President, Washington's first love was the farm he called Mount Vernon. There, he was one of the first in the nation to practice contour planting crop rotations, fertilization, and other soil conservation and improvement methods. It was more than a century after Washington's death before general use was made of many of the sound agricultural practices that he advocated.

Youth Center Is Becoming Popular

"Study to Show Yourself Approved" was the theme of the annual Youth Enlistment Rally held at the Pahokee First Methodist Church Wednesday for all Methodist youth of this area.

The Rev. Lee Pearson, minister of education of the Palma Celia Methodist Church, Tampa, was the principal speaker at the worship service at 7:15 p. m. Rev. Warren Willis, Florida Conference Director, of Methodist youth work, was also present. The service was preceded by a sandwich supper.

The rally was sponsored by the Florida Methodist Youth Fellowship Conference in cooperation with Dr. H. W. Blackburn, superintendent of the West Palm Beach District of Methodist Churches, and Mrs. Julian Renfro of Fort Lauderdale, district director of youth work.

Mr. and Mrs. Don McKinnon have returned to Miami after visiting her parents, Mr. and Mrs. J. H. Strayer, at Canal Point. Mr. McKinnon is convalescing after a recent appendectomy.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

Garbage and trash collections in suburban areas posed two problems for the county commission this week.

A delegation from the Belvedere Homes section appeared before the board to register complaints against the Belvedere Water Company which holds a franchise for trash and garbage collections in that area.

Youth Rally At Pahokee Methodist

Reasons for the increased popularity of the Pahokee Youth Center and the good attendance of Pahokee and Canal Point youth at the center for the past several weeks were explained to members of the Pahokee Parent-Teacher Association by James Threlkeld, city recreational director, at the February PTA meeting held in the high school auditorium with President W. O. Moss presiding.

Principal Brooks Henderson announced special courses of study will be sponsored by the Palm Beach Junior College at the Belle Glade High School and services will be held in the school auditorium by students Friday in observance of World Day of Prayer. Two films were shown by Principal Herman Austin who used the projector recently purchased by the Elementary School with the help of PTA funds.

At the close of the meeting open house was held at the school, with parents invited to visit the teachers of their children at the classrooms. Refreshments were served in the

school cafeteria by Mrs. Pope Sears and her hostess committee, composed of Canal Point women.

Dedication Cross Home Sunday P. M.

Sunday afternoon Feb. 19 from 3 until 4 o'clock Rev. Charles D. Stewart of the Canal Point Baptist Church will lead the dedication service of the home of Mr. and Mrs. Walter Cross in Canal Point. All friends are cordially invited to attend. No gifts, please.

BULL AT TWO FAIRS

The registered junior yearling Hereford bull, herd sire of the Pahokee Chapter, Future Farmers of America, which won a blue ribbon and Grand Champion in his class at the South Florida Fair and Exposition, was entered by the FFA boys in the cattle show at the State Fair in Tampa, where he was also awarded a blue ribbon. The prize animal was showed at both fairs by Calvin Watson.

Miss Terri Thomas was a weekend guest of her grandparents, Mr. and Mrs. Bob Kelly of Fort Pierce.

School Children In World Day Of Prayer

World Day of Prayer, being observed this Friday locally with two special services, one to be given by the Fourth-Grade Children of the Pahokee Elementary School in the high school auditorium at 8:30 a. m., and another, by the PHS Senior Class at 2 p. m., has been observed internationally by Christians of all nations for the past 75 years, under the auspices of the United Council of Churches.

The purpose of this worldwide observance is to unite all Christians in a bond of prayer and fellowship with others around the world, and to make love offerings for interdenominational projects, both home and abroad.

This year's offering will be used for the promotion of five projects: 1. Church planning and social welfare in Alaska. 2. Assistance in the ministry to migrant families. 3. Assistance in the ministry to low-income farming communities. 4. Ministry in Puerto Rico and the United Indian-American ministry. 5. Special literature and communications program for Africa.

The group agreed to return before the commission when a public hearing will be called to hear the company's application for renewal of its franchise.

The Palm Beach Sanitation Company petitioned the board for an increase in rates for its service, which brought protests from some quarters. The board decided to study the petition for two weeks before taking any action on the request to boost rates to \$2 per month in the area served by the company.

First Missionary Revival Services

The revival services which opened at the First Missionary Baptist Church at Canal Point Wednesday night are being conducted by Evangelist M. W. Melton, a former Jew, who was converted from Judaism to Christianity while a young man. The services will continue through Feb. 26, starting each evening at 7:30 o'clock. A cordial welcome to attend these services is extended to the public by the Rev. R. E. Barfield, pastor.

Board Thanks Voiture 270, The 40 & 8

A resolution of appreciation for Voiture 290 of the Forty and Eight, for the organizations outstanding service to children at the County Childrens Home, was adopted by the county commission Monday.

The resolution pointed out that the Voiture had given unselfishly of its time in providing entertainment for the youngsters, plus providing many of the furnishings at the home.

The resolution will be presented to Reginald White, National Commander of the group who will be in Palm Beach County Feb. 26 to participate in a 40 et 8 memorial service.

Air Conditioner Replaced At Bolton's

Bolton's Drug Store in Pahokee this week is fully equipped with a new Carrier air conditioner, giving out necessary heat for the crisp cool mornings and furnishing filtered pure cool air for proper temperature on hot sultry afternoons. It works automatically from the start to finish. The new unit replaces an older one installed when the handsome new store was built a few years ago.

John Bolton, proprietor of the store, said that no effort was spared in replacing the old unit with a more modern and up-to-date one to serve his patrons. "We invite our friends to drop by for that cup of coffee and enjoy the comforts of home," Mr. Bolton said.

AN ELECTRIC CLOTHES DRYER will give you more time for yourself and your family. No longer will you be too exhausted to "step out." Because you'll be spared the trudging to-and-from the clothesline... and lifting and lugging heavy loads. An Electric Dryer is even surer than Florida sunshine. It's at your convenience — day or night, in any weather. Your clothes and linens will last longer and look newer, too, with never any sun-fading or wind-damage.

You can save in many ways with an Electric Dryer. Better yet, when you go ALL-ELECTRIC in your home laundry—with an automatic dryer, washer, sit-down ironer and a flameless, fumeless water heater—then you really live better electrically.

Let your electrical appliance dealer show you what's new in modern, flameless, home laundry appliances. You'll be amazed!

Here's what the new 3¾% interest rate on U.S. Savings Bonds means to you:

\$3 = \$4 *fourteen months faster than before*

The Bonds you own are better than ever, too

The new 3¾% rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra ¼% from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

More advantages of U.S. Savings Bonds

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remem-

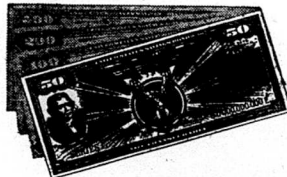

ber, the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 10 years and 8 months. That means a return of up to 30% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$1.50 a week. In 5 years you'll have Savings Bonds worth \$6000 in cash; in 10 years, \$6660.

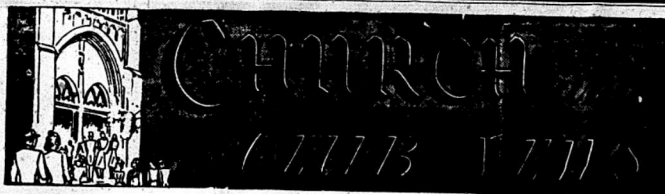

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

Christian Science Group Of Canal Point

An effective approach to world problems of disunity and inharmonious may be found in the Lesson-Sermon on "Mind" which will be read at Christian Science churches Sunday.

This hopeful promise from II Corinthians will be among the Bible citations read (13:11): "Be perfect, be good comfort, be of one mind, live in peace; and the God of love and peace shall be with you."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following passage will be cited (276:4-9): "When the divine precepts are understood, they unfold the foundation of fellowship, in which one mind is not at war with another, but all have one Spirit, God, one intelligent source, in accordance with the Scriptural command: 'Let this Mind be in you, which was also in Christ Jesus.'"

Students Observe World Prayer Day

Students at Pahokee Schools are sponsoring two worship services in the school auditorium this Friday, Feb. 17, in observance of World Day of Prayer.

The afternoon service, starting at 2 o'clock, is sponsored annually by the PHS Senior Class. Dr. B. A. Bowers, interim minister at the Pahokee First Methodist Church, will deliver the spiritual message. Special music will be furnished by the PHS Glee Club under the direction of Miss Ellen Morgan, and Robert O. Lampi, baritone, will sing "Open the Gates to the Temple," accompanied by Miss Jann Plumer, pianist. Miss Sandra Lampi is chairman in charge of program arrangements. The public is invited to attend the afternoon service.

The morning service will be held at 8:30 o'clock, with the 67 children of the fourth grade school rooms of Mrs. Frances Whiteside and Mrs. Beulah Boe taking part. These children have been studying Spanish, and to demonstrate the progress they are making in the learning of this language, The Lord's Prayer will be given in Spanish as part of the program. Parents who attend this service will find "standing room only" as the elementary school children fill the auditorium, some having to use the balcony steps as seats.

Rainbow Group Has 2 New Members

The Misses Anne Nix, Peggy Turner and Pat Gandy were initiated into the Order of Rainbow for Girls at the meeting of the Pahokee Assembly in the Masonic Hall, with Miss Elizabeth Humphries, worthy advisor and her staff of officers in charge of the initiation ceremony.

Miss Joyce Brown and Miss Ladora Crosby, past worthy advisors, were presented with charm bracelets, gifts from the Assembly. Members having birthdays this month were saluted with song, and refreshments were served. Guests were Mrs. Ruth Meredith, worthy matron of the Pahokee OES Chapter; D. P. Hughes, worthy patron, and Mrs. Hughes; Mr. and Mrs. O. M. Sheppard, Mr. and Mrs. H. G. Rodgers, Mrs. Grace Graham and Mrs. Florrie Nix.

Mr. and Mrs. Olaf Boe had as recent guests her brother-in-law and sister, Mr. and Mrs. Russell Curran, and daughter, Pamela, of Sarasota.

Pastor's Son Holds Pahokee Revival

The Rev. Larry C. O'Steen, pastor of the Wesconett Methodist Church in Jacksonville, who is conducting a revival at the Pahokee First Methodist Church this week, was guest speaker at the weekly luncheon meeting of the Pahokee Lions Club. He was introduced by James W. Vann, past president of the club. Guests also were the Rev. H. G. Galloway of Fort Lauderdale, who is assisting the Rev. O'Steen as youth director at the revival, and the Rev. T. C. O'Steen, father of the speaker. A Lions zone social meeting in Okeechobee, Mar. 3, was announced by President B. R. Mosley, who presided.

Sorority Will Help Crippled Children

Members of the Xi Beta Tau Chapter, Beta Sigma Phi Sorority, at the meeting at the home of Mrs. Carroll Parker voted, as a public service project, to assist the Palm Beach County Society for Crippled Children and Adults by addressing envelopes for the society. Mrs. W. O. Moss, president, named Mrs. Richard Nason, Mrs. Ralph Johnson and Mrs. J. L. Tyson on a committee to nominate new officers. Mrs. Parker presented the program, "Learning to Live," with Mrs. Harold Wilkinson, Mrs. Lois White and Mrs. Moss taking part.

Patterson Circle Studies Alcohol

The Ione Patterson Circle, Canal Point Baptist WMS, continued its study of "The Problems of Alcohol" at the February meeting at the home of Mrs. Frank O'Connell with Mrs. W. S. Evans, chairman, presiding. Mrs. Charles D. Stewart gave the devotionals and the program, "Retreat, Our Responsibility." She was assisted by Mrs. C. E. Jones and Mrs. Evans. It was reported five Canal Point WMU members attended the recent Palm-Lake Associational meeting at Pahokee, the next Associational meeting to be at Lake Worth, April 20. The Ione Patterson group will present the program, "Witness Where We Are," at the general meeting of the WMU, Feb. 28, and hold its next circle meeting, March 6, during week of prayer.

MEN'S CLUB MEETING

The Methodist Men's Club will hold its monthly dinner meeting at the First Methodist Church Tuesday at 7:30 p. m. President O. B. McClure will preside.

Mrs. M. D. Geiger is a patient at St. Mary's Hospital, West Palm Beach, this week.

James Batchelor Heads Youth Center

James Batchelor has been elected new president of the youth organization at the Pahokee Youth Center. Other new officers chosen for the coming year were Alton Mims, first vice president; Penny McKinstry, second vice president; Connie Singletary, secretary, and Joanne McKinstry, treasurer.

Featured entertainment at the youth center this season are dance parties, known as "Coke hops", for teenagers on Friday nights and for elementary school children on Tuesday afternoons, with a good attendance of youth at both weekly parties, according to James Threlkeld, recreational director.

Mrs. W. R. Boland and children, Janet and Charles, accompanied by her niece, Sheila Mitchell, have returned to Winter Haven following a visit with her brother-in-law and sister, Mr. and Mrs. Hugo Boe, and family at Pahokee.

NEWS HEADLINERS

(By Paul Rardin, Real Estate Editor)

Here in this spot every now and then we will make an attempt to bring our readers up-to-date on real estate happenings in the area of Palm Beach County west of 20 Mile Bend in this wonderful area known far and wide as the Lake Okechobee Farming Region. If you have a real estate transaction you'd like for the world to know about, just get in touch with the recently appointed Real Estate Editor of The Everglades News.

Pahokee Food Center, a new grocery establishment to be built on Rardin Avenue in Pahokee, with the building costing in the neighborhood of \$60,000.00 will be started in the not too distant future, according to Leroy Miner one of the owners and builders of the new store. The building will be erected directly behind the Pure Oil Station across the street from the Baptist Church in Pahokee.

Construction proceeds steadily on Osceola Farms, Inc., sugar mill five miles east of Canal Point. Nearly 100 men are on the construction job and the work is being done by Overland Construction of West Palm Beach. 15 concrete trucks have been busy the past several days transporting the necessary 2,000 yards of ready-mix from the Chosen plant of Shirley Brothers to the construction site.

Little Dave Houtz has moved his grocery store from Pahokee to his recently purchased building across the street from the Lake Okechobee Farmers Cooperative packing

house on Lake Shore Drive. Little Dave also purchased other property in that area which fronts on US Highway 441. The property was formerly owned by heirs of W. J. Hendry. Little Dave married Mrs. Elizabeth Sheppard about three months ago and they will live in one of the houses on the property he purchased.

TEST PILING FOR THE U. S. Sugar Corp. mill and refinery east of Canal Point have been driven and several of them weighted for testing. All tests up to date on bearing and weight load have been thoroughly satisfactory. Stringent tests have been given the piling in the area where the two massive structures are to be erected.

VISIT ARMSTRONGS

Mr. and Mrs. Henry W. Ridenour Indianapolis, Ind., arrived in Pahokee this week for a visit with their cousins, Dr. and Mrs. L. W. Armstrong. They were accompanied by Mrs. Armstrong's sister, Mrs. R. W. Bowers, of Orlando.

Fat Stock Show Is Big Success

The first annual fat stock show, held at the South Florida Fair, ended Saturday, Feb. 4, with an auction sale of 18 fine fat animals, being offered by many of our Future Farmers of America and 4-H club members.

These fine cattle ranged from 480 to 1325 pounds each. Seven graded steers, six good, one standard, and four utility.

To encourage our boys and girls in raising and fattening these calves, especially in the agricultural areas of our county, many local buyers participated in making this first sale a success.

Public Stores bought the grand champion, a 655 pound Black Angus steer, owned by Smitty Polhill of Clewiston, for \$130 per pound, a total of \$851.50. The runner up, another Black Angus steer of 630 pounds, was bought by Kwik Check for \$2c per pound. Most of the other choice animals were sold around 40c per pound.

T. W. Knight helped to encourage our boys and girls by bidding, and succeeded in buying a fine little black Angus steer weighing 720 pounds, which was raised and fattened by Bruce Boynton of Pahokee.

The largest animal offered was owned by Jimmy Jackson, of South Bay. This was a fine Hereford steer, tipping the scales at 1,335 pounds, and was graded choice, and was bought by Mays Stores at 40c, bringing in \$534 to go toward Jimmy's college education.

Others having choice entries were Tommy Holt, Pahokee; Sandra French and Wayne Boynton, Pahokee.

Plans for the installation of a high-speed electronic data processing system, the first of its kind in the Southeast, have been completed by Minute Maid Corp. of Orlando.

Congressman Rogers Asks Your Suggestions

Dear Friend:

This is my Annual Questionnaire in which I am asking you as a resident of the Sixth District of Florida to give me your views on some of the important issues that will come before the Congress. It will be very helpful to me if you will take the time to answer these questions and return them to me.

Thank you.

CONGRESSMAN PAUL G. ROGERS

The questions:

ATTEND FUNERAL

Among those who attended the funeral services for Mrs. Nancy Ellen Hatfield in Canal Point last week were her sisters, Mrs. Mamie Blankenship and Mrs. Lula Perkins, both of Huntington, West Va., and nephew and niece, Mr. and Mrs. Guy Walls of West Virginia and St. Petersburg. Mrs. Blankenship and Mrs. Perkins returned to their home at Huntington Wednesday.

WCS STUDY SESSION

The first of a series of study sessions being conducted by the Canal Point Methodist Woman's Society of Christian Service on the book, "One World, One Mission," was presented by Mrs. W. E. Johnson at the church. The study included a skit dramatizing the work of medical missionaries at a clinic in Belgian Congo, with Gail Sears, Betty Johnson, Linda Livingston and Sharon Johnson taking part. The study will continue through Feb. 19.

LOSES TWO GAMES

Coach Bill Howard's Pahokee Blue Devil basketball team lost both of their games the past week, practically giving the game to Clewiston, 42-34, on fouls Friday night and bowing to the up-and-coming Stuart Tigers, 60-42, Tuesday night. The only two games the Blue Devil A team has won this season were played against these two teams, Clewiston and Stuart, last month.

The annual two-day wild hog barbecue and jamboree of the Everglades Conservation and Sportsman's Club will be held deep in the Big Cypress country on Mar. 11th and 12th.

Miss Brenda Carter Weds M. E. Tyson

Miss Brenda Janea Carter of Pahokee became the bride of Morgan Evander Tyson in a double-ring ceremony at the Pahokee First Methodist Church Friday, Feb. 10, at 10:30 a. m. The vows were read by the Rev. Robert Shelley of Canal Point as the couple stood before an altar decorated with floor baskets of white mums and gladioli with palms in the background.

The bride is the daughter of Mrs. Annie Merle Carter and Howard L. Carter, both of Pahokee, and the bridegroom, son of Mrs. B. L. Powell of Punta Gorda and Elbert Tyson of Belle Glade.

Robert O. Lampi, baritone, sang "O Promise Me," "Because," "I Love You Truly" and "The Lord's Prayer," accompanied by Mrs. Millie Williams, organist, who played the traditional wedding marches.

Miss Sandra Kaye Swayne of Clewiston, cousin of the bride and her only attendant, wore a pink street length dress of chiffon over taffeta with white accessories and carried a cascade bouquet of deep pink carnations.

Ronnie Perkins of Belle Glade was Mr. Tyson's best man. Ushers were Kenneth McDonald and Charles Schoenfeld, both of Belle Glade. The bride was given in marriage by her father. She wore a white, sleeveless, linen sheath dress of street-length with tunic of lace. The neckline, round in front and coming to a point in the back, was edged with lace. Her white gloves were elbow length and a white half hat, with short rim veil, was covered with small voile leaves tipped with seed pearls. Her only ornament was single strand of pearls, the gift of Mrs. Lester Hand, close friend of the family. She carried a small white Bible topped with a white orchid with streamers of white satin studded with sweetheart roses.

Mrs. Carter chose for her daughter's wedding a Nile green, street-length one-piece sheath dress of embroidered linen with black accessories and purple orchid corsage. The bridegroom's mother wore a beige linen sheath with brown accessories and corsage of purple orchids.

Following the ceremony a reception was held at the home of Mr. and Mrs. Lester Hand, 398 Kismet, with relatives and members of the wedding party attending. Miss Dorothy Hand assisted.

After a brief honeymoon on the West Coast, Mr. and Mrs. Tyson will be at their home on the Babcock Ranch east of Belle Glade.

The bride is a graduate of Pahokee High School, Class of 1960, and before her marriage was attending Palm Beach Junior College. Mr. Tyson graduated from Belle Glade High School in 1958.

Road Thru Airbase May Be Opened

The county commission this week voted to reopen a perimeter road on the east end of International Airport which connects Belvedere Road and Southern Blvd.

The commission agreed to meet government requirements to build a fence along the road and to make the thoroughfare a part of the county's road system.

The county board also learned that the Government Service Administrative which has recommended turning the airbase back to the county—less a plot north of Belvedere Road—will go along with a county request for road right of way in the section not being released to the county.

WINS FIRST PRIZE

Miss Elizabeth Humphries, Pahokee High School senior, won first place in the fashion show sponsored by the Pahokee Woman's Club at the luncheon meeting last week. Her prize-winning entry was a two-piece green shantung dress with belted jacket. She was presented with a gold necklace. Judges were Mrs. Karl Mindlin, Mrs. Homer Barnes and Mrs. Don Zaccagnino.

More Land Sought For Co. Expansion

The county commission this week voted to seek state lands in two different sections of the county for public use.

They voted to ask the State Internal Improvement Trustees to give the county title to bottom lands near Phil Foster Park for enlargement of that recreation area between Riviera Beach and Palm Beach Shores.

Commissioner Paul Rardin won the support of the commission for his request to seek additional lands near the Glades Office Building in the Glades to be used in the future for expansion of facilities now located in the area.

R. O. Crosby Wins In—

(continued from page 1)

City Zoning Board, the Council authorized the strict enforcement of the clause in the Southern Standard Building Code which requires all contractors and builders with projects within the city limits to post a \$1,000 performance bond, these bonds to be in the hands of the city clerk within 30 days.

Adopted at the meeting was an ordinance, recommended by the City Planning Board, simplifying and standardizing rules and regulations for establishing new subdivisions within the city limits.

Plans for a new subdivision, "Observation Heights," located adjacent to the Verville subdivision, was submitted to the Council by the engineering firm of Gross E. Elliott and Associates, Inc. Since the new subdivision ordinance requires that plans must be studied by the City Planning Board with recommendations by the board before action is to be taken by the Council, it was decided to hold an adjourned meeting Wednesday night at which time the Council receive the recommendations of the Board on the proposed Observation Heights subdivision and call for a vote on its approval.

Upon the request of Blanton and Unwin, Pahokee building firm, to change the zoning of Tracts 27-23-29, located on Bacom Point Road across the street from the H. J. Anderson residence, from A (agricultural) to R-2 (residential), City Clerk Patricia Batchelor was instructed to advertise a public hearing on the proposed re-zoning to be held at the city hall Monday night, March 13.

Approved at the meeting were four bills, prepared by City Attorney Ralph O. Johnson, which are to be introduced to the State Legislature for passage. The first bill would regulate the use of search warrants by city police, the second would set up a civil service system for city employees and make the offices of city clerk and city marshal appointive rather than elective, the third would specify the "arrest power" of city police in case of "hot pursuit" just outside of the city limits, and the fourth would provide for a pension plan for city employees.

In a move to make the sanitation department self-supporting, it was voted to increase the fee for garbage collections, 15 cents a month more for residences and 19 cents for commercial houses.

City Clerk Batchelor submitted a list of 18 property owners flagrantly delinquent in the payment of sidewalk assessments. The City attorney was asked to take immediate steps to obtain liens on the property involved to insure payment.

In other action taken, the Council accepted from James W. Vann, executive secretary of the Pahokee Housing Authority, a check for \$4,130.95 in lieu of taxes for the PHA low-rent housing projects, McClure Village and L. L. Stuckey Homes; authorized the use of red blinder lights on the cars of volunteer firemen; asked the city attorney to draw up a contract for the extension of a city water line to Streamline Village east of the city limits; and authorized Building Inspector Frank Thompson to attend the annual short course for city inspectors at University of Florida.

Paul And Kathryn Rardin Celebrate 30th Wedding Anniversary; 27 Yrs. In Canal Point

Everglades News Publisher Paul Rardin and Mr. Rardin quietly celebrated their 30th Wedding Anniversary yesterday (February 16); nearly 27 years of that time having been spent in Canal Point where Mr. Rardin owns and publishes The Everglades News and is in his fifth four-year term as Palm Beach County Commissioner. Commenting upon the more than a quarter of a century of residence in Canal Point, Mr. Rardin said, "I believe my wife summed it up a few months ago when she referred to the first quarter century of residence in Canal Point as "25 wonderful years." I don't believe I could improve on that statement."

Cub Scout Seen On WEAT Television

South Florida television viewers saw Randy Laks, son of Mr. and Mrs. Eugene Laks of Pahokee, who had recently graduated from Cub Scouting, become a tenderfoot in Boy Scouting in a Scout program televised over TV WEAT, Palm Beach, Tuesday night of last week, with Cub, Boy and Sea Scouts of various Gulf Stream Council units participating in observance of National Boy Scout Week.

The tenderfoot induction ceremony on the program was conducted by Pahokee Scouts, with Billy Boe, senior patrol leader of Pahokee Boy Scout Troop 628, presiding.

Mrs. D. W. Cunningham and Mrs. Louis Mims used station wagons to carry the Pahokee Scouts to Palm Beach for the program. Other Scouts attending were Joe Hatton, III, Ronnie Bracewell, Donald Meredith, Harry Cunningham, James R. Crouswell, David Beede, Eugene Cooper, Dennis Martin, Glenn Stewart, Tommy Bailey, Jim Tyson and Reid Tillery.
